

Hire portable fire safety equipment

Our portable fire safety trolleys are the perfect solution for pop-up events, markets, and festivals – providing quick and easy access to fire extinguishers and fire blankets.

Cost-effective: hire instead of buying outright

Compliant & ready: equipment is tested, labelled, and maintained to Australian Standards

Peace of mind: supplied by a trusted fire protection services business

Flexible & convenient: easy to wheel to where you need it most

Pick up or delivery available: Whether it's a small community event or a large festival, keep people safe and compliant without the hassle of investing in equipment yourself.

Protect your event. Protect your people. Hire with confidence from FWSR Group.
