

## ABOUT US

FWSR Group is a Victorian-based provider of fire protection and workplace safety solutions, delivering services across Melbourne and regional Victoria.

As a Registered Training Organisation (RTO), we deliver nationally recognised safety training from our metropolitan and regional training centres, supported by experienced industry trainers and practical, hands-on facilities.

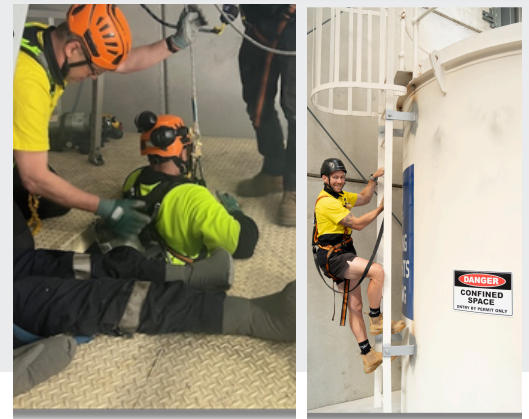

We offer public courses each month for individuals seeking nationally recognised units of competency, as well as tailored group training delivered on-site or at one of our training centres.

In addition to training, FWSR Group provides comprehensive fire protection services, height safety solutions and gas detection services - including sales, installation, maintenance, certification and compliance support.

With branches across Shepparton, Melbourne, Bendigo/Ballarat, Mildura and Albury/Wodonga, we combine technical expertise with local knowledge to support safer workplaces across the state.

Get in touch with the team today to discuss tailored group training options suited to your business and operational needs.

*"FWSR Group - helping you protect your most important asset, your people."*
